Acceptance of Your Manuscript Paper ID - 315

Microsoft CMT <noreply@msr-cmt.org> Sat, Oct 11, 2025 at 2:43 PM
To: Rajni Tiwari <rajni.t@cmrit.ac.in>

Dear Author,

We are pleased to inform you that your manuscript titled "An AI-Driven Framework for Real-Time Penetration Testing of Web Applications using Network Sniffing and Intelligent Password Cracking" Paper ID: 315 has been accepted for presentation in IEEE Conference ICANCS 2025 after a careful review process.

The reviewers and editorial board found your work to be of high quality and a valuable contribution to the field. We appreciate your contribution and thank you for choosing ICANCS 2025 as the platform to present your research.

Please make sure to follow any final formatting or submission requirements as per the author guidelines which will be shared shortly. We will share the camera-ready submission instructions and publication timeline in a separate communication. Make sure the Plagiarism should be reduced below 10% and I should not exceed 1 % from each source during camera ready submission.

If you have any further queries, feel free to reach out.

Congratulations once again!
